

Frontier Natural Products Buying Club

Have you heard of Hillcrest's newest fundraiser? A Buying Club from Frontier Natural Products. This is the same wholesaler that supplies stores like Natural Pantry and Fred Meyers. We can buy at wholesale rates – get free shipping if our order is \$400+. Hillcrest is adding 20% to your total cost as the fundraiser side of things – but costs are frequently less than local in-store sales. Sometimes the stores can offer bigger discounts, but by purchasing through our buying club, you can avoid the stores and support Hillcrest. Below is a list of popular items, we also have some products highlighted in the entry way. If you would like the sale flyer emailed to you, just let me know. It is 80 pages. You can check out the Frontier catalogue and sale flyer in the office. If you want further clarification please speak with Ms. Christina or Liza Sanden.
