## **Fall Paperwork**

Reminder that in September all children will be charged the \$125 supplies fee. This ensures continued classroom improvements.

## **Play Yard Work Group**

Corvus Design has been instrumental in helping the group reconfigure the play yard and the parents have been great about thinking outside the box. A huge thank you goes to Krista Phillips (Cade's mom) and Giovanna Shiok (Luna and Chicca's mom) for their effort in seeking out and obtaining Corvus Design for us.

Join us for our next meeting, Wednesday August 25th at 5pm where we are bringing pictures in as inspiration for us to keep this project moving forward.

## **Subway Fundraiser**

We expect to get 100 Subway Fundraiser cards to sell in August. The cards are \$10 each and offer many different buy one get one free deals. Families can check a few out from the office to sell to family and friends or to purchase. Please be on the look out for the flyer announcing their arrival and more details. Thank you to Elsie's mom, Willow, for coordinating this fundraiser.

## **Fall Fundraisers**

We expect to do the Small Hands and See's Candy fundraisers again this fall. If you have additional ideas, please speak with Ms. Christina or Willow Peyton ([willow@alaskacoin.com](mailto:willow@alaskacoin.com)).
