Directors Report:

- **Reminder about September paperwork (registration and CACFP) and supply fee (\$125 per child)**
- **Staffing Update: Christina vacation July 30-Aug 20; Kandyce was sworn in to the Air Force this week and will soon be getting her leave date (sometime this Fall most likely); Ms. Lindsey will be moving to Preschool**
- **Food update: new menu is in effect. It is a four week rotating menu that at times will have substitutions based on food availability. We are evaluating the cost and how kid friendly it is. Further updates to come.**
- **Received a quality improvement grant from CITC for a hand washing sink in preschool and \$500 in classroom supplies**
- **AK Children's Trust Grant:**
 - **Christina will be going to training to become a facilitator in the ScreamFree Parenting for sustainability versus paying for a one time facilitator for only 5 parents. The ScreamFree Parenting and Love and Logic Parenting groups will be offered winter and spring with families getting to choose their books then.**
 - **This fall parents will have on-line access to the Ages and Stages Developmental Screening tools for their children.**

Further Updates-

- **We are looking for some Co-Treasurers to relieve Lori this fall as she is graduating (or rather Jolie is). The plan is to have a fall community meeting for all families that goes over the finances.**
- **We will be selling Subway Cards as a fundraiser in August. Each card is \$10 and would make a great staff appreciation gift**
- **Fall Fundraiser is See's Candy and Small Hands Catalog**

Work Groups

- **Gaming - license is almost complete**
- **Playground – rough design layout complete; families are bringing in pictures of further inspiration and next will complete work plan**
- **By-Laws – still in the works, a future meeting TBD**
